2. No objection has, however, been given to the above name subject to certain conditions as under and the Registrar of Society/Firm/Department would verify the bonafide credential of the society while considering for registration and ensure that:

- (i) The Society is not allowed to use translated and abbreviated/acronym version of its name;
- (ii) The Society will use their name with prefixes, etc. as has been mentioned in this letter.
- (iii) The Society will show its name along with the caption below that it is governed by private Body/Society where used; and
- (iv) The name may not be used for any commercial purpose or trade or business or profession, certification/affiliation/recognition to other organization etc.

3. This issues with approval of the Competent Authority.

Yours faithfully,
